

SMB

CONSULTING

WHAT I DO

Solving Sticky Problems

Strategic Planning

Organizational Assessments & Team Building

Program Planning

Communications

Leadership Coaching

Coalition-Building: Learning & Acting Together

Public Input Processes

Solving Sticky Problems

Honing in on the root cause of a sticky problem and developing solutions together

Strategic Planning

Developing a 3-5 year strategic plan that keeps your team energized, focused on results, and accountable

Organizational Assessments & Team Building

Assessing the organizational culture to develop improvements grounded in team cohesion

Program Planning

Defining and launching strategic initiatives and new programs

Communications

Writing case statements,
annual reports, and speeches

Leadership Coaching

Coaching executive directors
and other organizational
leaders — developing growth
goals and coaching for
improvement

Coalition-Building: Learning & Acting Together

Building and supporting learning
and action networks and unique
peer-to-peer learning
gatherings

Public Input Processes

Creative, meaningful, interactive
sessions that gain input from
people and organizations

WHAT MY PARTNERS DO

Partner consultants are available to support above products and processes with:

- Data strategy, dashboards & storytelling
- Creative direction and graphic design
- Web design and development
- Fund development strategies

INTENSITY OPTIONS

What level of intensity does your situation call for?

TOUCHING BASE

We do a quick realignment,
injecting energy and focus
into the work

INTENSITY OPTIONS

What level of intensity does your situation call for?

TOUCHING BASE

We do a quick realignment,
injecting energy and focus
into the work

EXPLORATION

We explore possibilities
together and land on some
mid-range solutions

INTENSITY OPTIONS

What level of intensity does your situation call for?

TOUCHING BASE

We do a quick realignment,
injecting energy and focus
into the work

EXPLORATION

We explore possibilities
together and land on some
mid-range solutions

DEEP DIVE

We work together
for a while, diving into issues /
opportunities / partnerships,
and creating long-term
roadmaps or collaborations

**HOW MY WORK
IS DIFFERENT**

HOW MY WORK IS DIFFERENT

Helping organizations **BUILD CAPACITY**,
not just building my next pipeline of projects

HOW MY WORK IS DIFFERENT

Helping organizations **BUILD CAPACITY**,
not just building my next pipeline of projects

Keeping **FLEXIBILITY** in the process — process not feeling right?
Let's adjust together to get the best work done

HOW MY WORK IS DIFFERENT

Helping organizations **BUILD CAPACITY**,
not just building my next pipeline of projects

Keeping **FLEXIBILITY** in the process — process not feeling right?
Let's adjust together to get the best work done

Centering the voices and **VALUING THE EXPERIENCE** of the people
who are proximate to the problem and /or central to the work

Helping organizations **BUILD CAPACITY**,
not just building my next pipeline of projects

Keeping **FLEXIBILITY** in the process — process not feeling right?
Let's adjust together to get the best work done

Centering the voices and **VALUING THE EXPERIENCE** of the people
who are proximate to the problem and /or central to the work

Being **HUMAN-CENTERED** and building good culture — building
in coaching as an integral piece of the process, allowing your team
to do their best work by tapping into their talents and passions
